Dear Mike

Re: Application no: FUL/07/1004 – Use of land for siting of 8 holiday homes, construction of new vehicular access and installation of septic tank, Hillside Cottage, Brockton, Much Wenlock

Thank you for your consultation on this application. Further to recent phone conversations: I note that you have advised the applicants that this proposal is likely to be refused permission as it is contrary to policy RD6 (*permission will not be granted for new caravan sites..... in the Shropshire Hills AONB*) of the adopted Bridgnorth Local Plan.

If circumstances change, please don't hesitate to contact me for further advice on this, or similar proposals. I would also like to take the opportunity to thank you for your positive approach to the likely impact of this planning application on the Shropshire Hills AONB. The time you afforded me was much appreciated and I found our discussions very valuable.

Yours sincerely

Joy Tetsill
Planning and Policy Officer
