Dear Grahame

**Re: Application number ML2007/1995/SS – Coppice Barn Quarry, Diddlebury. To vary condition 5 of existing permission (Ref ML1995/5428/SS) to provide further 4 years extraction until 3 October 2011**

Thank you for your consultation on the above. The Shropshire Hills AONB Partnership has no objections to this proposal. We are generally supportive of small scale quarrying of local stone as such material can assist in retaining local distinctiveness within the AONB.

Yours sincerely

Joy Tetsill  
Planning and Policy Officer
