Dear Mr Denison

Re: Application no 08/0527/F Installation of a domestic wind turbine on an 11m high tower, The Goldings, High Park, All Stretton, Shrewsbury

Thank you for your consultation on this application. I undertook a site visit yesterday. The proposed position of the turbine in a fold in the landscape minimises its impact on visual amenity and landscape character. The Shropshire Hills Area of Outstanding Natural Beauty Partnership therefore has no objections.

Yours sincerely
